ORDINANCE NO. 94-10

AN ORDINANCE AMENDING THE ORANGE COUNTY EXCAVATION AND FILL ORDINANCE TO PERMIT THE COUNTY ENGINEER TO ISSUE AN EXCAVATION/FILL PERMIT FOR PREVIOUSLY APPROVED COMMERCIAL AND/OR RESIDENTIAL SUBDIVISION SITES UNDER CERTAIN CIRCUMSTANCES; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the Orange County Excavation and Fill Ordinance, as codified in Section 16-1 et. seq. of the Orange County Code provides for certain requirements with respect to the issuance of excavation and fill permits;

WHEREAS, the Board of County Commissioners of Orange County, Florida, has determined that it is in the public's best interest to allow for the County Engineer to issue excavation and fill permits under certain limited circumstances.

NOW, THEREFORE, be it ordained by the Board of County Commissioners of Orange County, Florida, as follows:

1. Form. Language added shall be indicated by underlining and language deleted shall be indicated by struck-through type.

2. Section 16-23(a) of the Orange County Code is hereby amended as follows:

(a) Unless otherwise stated herein, the County Engineer shall submit his or her recommendation relative to the issuance of a permit under this Chapter to the Board of County Commissioners for official action.

3. Section 16-23 of the Orange County Code is also amended by adding the following subparagraph:

(g) The County Engineer may issue an excavation/fill permit for previously approved commercial and/or residential subdivision sites provided that:

(a) The source of fill material has been permitted by Orange County; and

(b) The excavation is to be disposed of only at locations permitted by Orange County.

4. Effective Date. This ordinance shall become effective according to general law.
