SECTION 1.03. LEGISLATIVE FINDINGS. It is hereby ascertained, determined and declared that:

(A) Article VIII, Section 1 of the Florida Constitution, the Charter, and Sections 125.01 and 125.66, Florida Statutes, grant to the Board all powers of local self-government to perform County functions and to render services for County purposes in a manner not inconsistent with general or special law, and such power may be exercised by the enactment of County ordinances.

(B) In addition to its powers of self-government, the Board is authorized by Sections 125.01(1)(q) and (r), Florida Statutes, to establish municipal service benefit units
for all or any part of the unincorporated area within the County, or within the municipal
boundaries of an incorporated area upon consent of the governing body of the affected
municipality, to provide water, sewer, streets and other essential facilities.

(C) The Board has enacted the Ordinance to provide for the creation of municipal
service benefit units and authorize the imposition of assessments to fund the construction of
Local Improvements to benefit the property located therein.

(D) The Board desires to create the MSBU as a municipal service benefit unit
under the Ordinance to fund the Project Cost of the Rio Pinar Woods Subdivision Wall. The
Rio Pinar Woods Subdivision Wall constitutes a Local Improvement as defined in the
Ordinance and herein.

(E) The Rio Pinar Woods MSBU includes only Lots zoned for single-family
residential use. None of the property located within the MSBU will be used for multi-family
residential, commercial or other uses.

(F) The Rio Pinar Woods Subdivision Wall will provide a special benefit to all
Lots located within the MSBU by improving and enhancing the exterior subdivision
boundaries, the interior subdivision areas, the subdivision identity and safety and the
subdivision aesthetics, thus enhancing the value, use and enjoyment of such property.

(G) Each Lot within the MSBU will derive an equal benefit from the construction
of the Rio Pinar Woods Subdivision Wall based on the safety, aesthetics and subdivision
identity provided to the MSBU by construction of the Rio Pinar Woods Subdivision Wall.
Since all Lots in the MSBU benefit equally from these benefits, it is fair and reasonable to
equally assess each Lot for the Project Cost.

(H) The Assessments contemplated hereby are for the initial construction of the Rio
Pinar Woods Subdivision Wall only. The homeowners will be solely responsible for the
continuing maintenance of the Rio Pinar Woods Subdivision Wall and the County will
assume no responsibility therefore.

(I) The Board hereby finds and determines that the Assessments to be imposed
in accordance with this Resolution, provide an equitable method of funding construction of
the Rio Pinar Woods Subdivision Wall by fairly and reasonably allocating the cost based on
the special benefit derived by the property, in the manner hereinafter described.
ARTICLE II

ASSESSMENTS

SECTION 3.01. DESCRIPTION OF PROPOSED MSBU. The proposed Rio Pinar Woods Municipal Service Benefit Unit shall include the property located within the Rio Pinar Woods Subdivision, as more specifically identified in Appendix A attached hereto. The MSBU is proposed for the purpose of enhancing the use and enjoyment of property located therein by funding the Rio Pinar Woods Subdivision Wall.

SECTION 3.02. IMPOSITION OF ASSESSMENTS. Assessments shall be imposed against property located within the MSBU for each Fiscal Year in which Obligations remain outstanding, the amount of which shall be computed in accordance with this Article III. When imposed, the Assessment for each Fiscal Year shall constitute a lien upon the Tax Parcels located in the MSBU, pursuant to the Ordinance.

SECTION 3.03. PREPAYMENT AMOUNTS.

(A) Upon adoption of the Final Assessment Resolution, an Initial Prepayment Amount for each Tax Parcel located within the MSBU shall be calculated as the sum of (1) the amount computed by (a) dividing the number of Lots attributable to such Tax Parcel by the total number of Lots attributable to Tax Parcels within the MSBU, and (b) multiplying the result by the estimated Capital Cost of the Rio Pinar Woods Subdivision Wall.

(B) Following issuance of the Original Obligations, an Adjusted Prepayment Amount for each Tax Parcel, other than those Tax Parcels as to which the Assessment has been prepaid prior to issuance of the Original Obligations, shall be computed by multiplying (1) the amount computed by dividing (a) the Initial Prepayment Amount established herein for such Tax Parcel by (b) the sum of (i) the aggregate Initial Prepayment Amounts for all Tax Parcels within the MSBU and (ii) the aggregate comparable prepayment amounts computed for all Tax Parcels against which a special assessment has been imposed to finance other Local Improvements funded from proceeds of the Original Obligations, in each case excluding those Tax Parcels as to which the Assessment has been prepaid prior to issuance of the Original Obligations, by (2) the principal amount of the Original Obligations. The Adjusted Prepayment Amount for each Tax Parcel shall be revised annually, as provided in Section 3.04(1) hereof.

(C) Following issuance of any Refunding Obligations, a new Adjusted Prepayment Amount for each Tax Parcel, other than those Tax Parcels as to which the Assessment has
been prepaid prior to issuance of such Refunding Obligations, shall be computed by multiplying (1) the amount computed by dividing (a) the Adjusted Prepayment Amount for such Tax Parcel by (b) the sum of (i) the aggregate Adjusted Prepayment Amounts for all Tax Parcels within the MSBU and (ii) the aggregate comparable prepayment amounts computed for all Tax Parcels against which a special assessment has been imposed to finance other Local Improvements funded from proceeds of the Obligations being refunded, in each case excluding those Tax Parcels as to which the Assessment has been prepaid prior to issuance of such Refunding Obligations, by (2) the principal amount of such Refunding Obligations. The Adjusted Prepayment Amount for each Tax Parcel shall be revised annually, as provided in Section 3.04(I) hereof.

SECTION 3.04. COMPUTATION OF ASSESSMENTS. Assessments will be imposed for each Fiscal Year in which Obligations remain outstanding, and collected on the ad valorem tax bill in the manner authorized by the Uniform Assessment Collection Act. The annual Assessment shall be computed for each Tax Parcel in the manner set forth in this Section 3.04.

(A) DEBT SERVICE AMOUNT. A "Debt Service Amount" shall be computed for each Fiscal Year as the amount which would be payable in respect of the Obligations in accordance with a debt service schedule prepared under the following assumptions: (1) the principal installments equal those established in the Funding Agreement, and (2) the Obligations bear interest at a rate one full percentage point in excess of the actual rates; provided however, that the "Debt Service Amount" for any Fiscal Year shall not exceed the principal amount of Obligations then outstanding plus interest thereon at rates one full percentage point in excess of the actual rates.

(B) PREPAYMENT MODIFICATION FACTOR. A "Prepayment Modification Factor" shall be computed for each Fiscal Year by dividing (1) the amount computed by subtracting (a) the sum of the Adjusted Prepayment Amounts, as of the date on which the Obligations are issued by the County, for all Tax Parcels as to which prepayment has been made following issuance of the Obligations, from (b) the total principal amount of Obligations initially issued by the County, by (2) the total principal amount of Obligations initially issued by the County.

(C) MODIFIED DEBT SERVICE AMOUNT. A "Modified Debt Service Amount" shall be computed for each Fiscal Year by multiplying (1) the Debt Service Amount by (2) the Prepayment Modification Factor.

(D) ANNUAL DEBT SERVICE FACTOR. An "Annual Debt Service Factor" shall be computed for each Fiscal Year by dividing (1) the Modified Debt Service Amount by (2) the aggregate Adjusted Prepayment Amount.
(E) **ANNUAL DEBT SERVICE COMPONENT.** The "Annual Debt Service Component" shall be computed for each Fiscal Year for each Tax Parcel by multiplying (1) the Adjusted Prepayment Amount for such Tax Parcel by (2) the Annual Debt Service Factor.

(F) **COLLECTION COST COMPONENT.** The "Collection Cost Component" shall be computed each Fiscal Year for each Tax Parcel by dividing (a) the Adjusted Prepayment Amount for such Tax Parcel by (b) the sum of the aggregate Adjusted Prepayment Amount, and (2) multiplying the result by the Collection Cost.

(G) **STATUTORY DISCOUNT AMOUNT.** The "Statutory Discount Amount" shall be computed for each Tax Parcel as the amount by which Section 129.01(2)(b) requires the County to discount reasonably anticipated receipts in connection with preparation of its annual budget, such amount to be calculated by deducting (1) the sum of (a) the Annual Debt Service Component and (b) the Collection Cost Component, from (2) the amount computed by dividing (a) the sum of (i) the Annual Debt Service Component and (ii) the Collection Cost Component, by (b) 0.95.

(H) **ASSESSMENT.** The annual Assessment for each Tax Parcel shall be computed as the sum of (1) the Annual Debt Service Component, (2) the Collection Cost Component and (3) the Statutory Discount Amount.

(I) **REVISION OF ADJUSTED PREPAYMENT AMOUNT.** Upon issuance of the ad valorem tax bill for each Fiscal Year, the Adjusted Prepayment Amount for each Tax Parcel shall be recomputed by deducting (1) the amount computed by (a) dividing (i) the principal component of the Debt Service Amount utilized to compute the Debt Service Component for the Assessment Roll by (ii) the total Debt Service Amount utilized to compute the Debt Service Component for the Assessment Roll and (b) multiplying the result by the Annual Debt Service Component included on the Assessment Roll for the Tax Parcel, from (2) the Adjusted Prepayment Amount utilized to compute the Annual Assessment included on the Assessment Roll for such Tax Parcel.

**SECTION 3.05. INITIAL PREPAYMENT OPTION.**

(A) Following adoption of the Final Assessment Resolution, the Comptroller shall provide first class mailed notice to the owner of each Tax Parcel subject to the Assessment of the owner's option to prepay all future annual Assessments. On or prior to the date specified in such notice (which shall not be earlier than the thirtieth calendar day following the date on which the notice is delivered to the possession of the U.S. Postal Service), the owner of each Tax Parcel subject to the Assessment shall be entitled to prepay all future annual Assessments, upon payment of the Initial Prepayment Amount. The Board, in its sole
discretion, may elect to accept prepayments pursuant to this Section 3.05 on any date prior to execution of the Funding Agreement.

(B) The amount of all prepayments made pursuant to this Section 3.05 shall be final. The County shall not be required to refund any portion of a prepayment if (1) the actual Capital Cost of the Rio Pinar Woods Subdivision Wall is less than the estimated Capital Cost upon which the Initial Prepayment Amount was computed, (2) the Capital Facility Charge is less than that upon which the Initial Prepayment Amount was computed, or (3) annual Assessments will not be imposed for the full number of years anticipated at the time of such prepayment.

SECTION 3.06. ADDITIONAL PREPAYMENT OPTION.

(A) Following the date specified in the notice provided pursuant to Section 3.05(A) hereof, or such later date as the Board may allow in its sole discretion, the owner of each Tax Parcel subject to the Assessments shall be entitled to prepay all future unpaid annual Assessments upon payment of an amount equal to the sum of (1) the Adjusted Prepayment Amount for such Tax Parcel, and (2) interest on the Adjusted Prepayment Amount, computed at a rate one full percentage point in excess of the rate on the Obligations, from the most recent date to which interest on the Obligations has been paid to the next date following such prepayment on which the County can redeem Obligations after providing all notices required to redeem all or any portion of the Obligations.

(B) During any period commencing on the date the annual Assessment Roll is certified for collection pursuant to the Uniform Assessment Collection Act and ending on the next date on which unpaid ad valorem taxes become delinquent, the County may reduce the amount required to prepay the future unpaid annual Assessments for the Tax Parcel by the amount of the Assessment that has been certified for collection with respect to such Tax Parcel.

(C) The amount of all prepayments made pursuant to this Section 3.06 shall be final. The County shall not be required to refund any portion of a prepayment if (1) the Capital Cost of the Rio Pinar Woods Subdivision Wall is less than the amount upon which such Adjusted Prepayment Amount was computed, (2) the Capital Facility Charge is less than that upon which such Adjusted Prepayment Amount was computed, or (3) annual Assessments will not be imposed for the full number of years anticipated at the time of such prepayment.
SECTION 3.07. MANDATORY PREPAYMENT.

(A) If at any time a tax certificate has been issued and remains outstanding in respect of any Tax Parcel subject to the Assessment, the owner shall prepay all future unpaid annual Assessments for such Tax Parcel if the County, at its sole option, elects to accelerate the Assessment. The amount required to prepay the future unpaid annual Assessments will be equal to the sum of (1) the Adjusted Prepayment Amount for such Tax Parcel, and (2) interest on the Adjusted Prepayment Amount, computed at a rate one full percentage point in excess of the rate on the Obligations, from the most recent date to which interest on the Obligations has been paid to the next date following such prepayment on which the County can redeem Obligations after providing all notices required to redeem all or any portion of the Obligations.

(B) During any period commencing on the date the annual Assessment Roll is certified for collection pursuant to the Uniform Assessment Collection Act and ending on the next date on which unpaid ad valorem taxes become delinquent, the County may reduce the amount required to prepay the future unpaid annual Assessments for the Tax Parcel by the amount of the Assessment that has been certified for collection with respect to such Tax Parcel.

(C) The amount of all prepayments made pursuant to this Section 3.07 shall be final. The County shall not be required to refund any portion of a prepayment if (1) the Capital Cost of the Rio Pinar Woods Subdivision Wall is less than the amount upon which such Adjusted Prepayment Amount was computed, (2) the Capital Facility Charge is less than that upon which such Adjusted Prepayment Amount was computed, or (3) annual Assessments will not be imposed for the full number of years anticipated at the time of such prepayment.

SECTION 3.08. REALLOCATION UPON FUTURE SUBDIVISION. If a Tax Parcel includes more than one Lot, the Assessment imposed against such Tax Parcel may be reallocated among the Lots upon (1) application of the owner and (2) assignment of a distinct ad valorem property tax identification number to each Lot or any combination of Lots by the Property Appraiser.
ARTICLE IV

SECTION 4.01. METHOD OF COLLECTION. The Assessments shall be collected pursuant to the Uniform Assessment Collection Act.

SECTION 4.03. EVIDENCE OF PAYMENT. Payment in full of the Assessment imposed against any Tax Parcel shall operate as a release of the Assessment lien upon such Tax Parcel. Rio Pinar Woods Municipal Service Benefit Unit

Dear Property Owner:

The Rio Pinar Woods Municipal Service Benefit Unit (MSBU) is being created to provide a privacy wall referred to in this letter as the Rio Pinar Woods Subdivision Wall. The construction costs of the Rio Pinar Woods Subdivision Wall will be funded by assessments against the property located within the MSBU. The special assessment for each parcel of property is based on the total number of platted lots within the MSBU as more specifically set forth in the Initial Assessment Resolution adopted by the Board on April 3, 2001. Copies of the Initial Assessment Resolution, the plans and specification for the Rio Pinar Woods MSBU, and the preliminary assessment roll are available for your review at the offices of the Comptroller, located on the fourth floor of the County Administrative Center at 201 South Rosalind Avenue, Orlando, Florida. Information regarding the assessment for your specific property, including the number of lots assigned to your property, is attached to this letter.

The County intends to issue a note to finance the capital costs of this assessment project. After receiving proposals from interested banking institutions, the County will select the bank with the most favorable financing terms and issue a note in the amount of the construction cost for the wall. However, you may choose to prepay your assessment in full and avoid the additional financing cost. Please do not send payment now. If the assessments are imposed, you will receive a separate notice of the date and place of payment.

If you do not choose to prepay during the period described in the next notice you will receive, the amount necessary to pay your assessment in full will be increased by your share of the financing cost. The County anticipates that financing costs will increase the prepayment amount by approximately ___ percent to $______ per lot.

The annual assessment will include:
• your share of the principal and interest on the note;
• your share of the collection cost of the assessments; and
• the maximum discount allowed for early payment under the Uniform Assessment Collection Act.

The County expects to collect approximately $________ per year for the purposes described in this notice. The County intends to include annual assessments on your ad valorem tax bill. Failure to pay your assessments will cause a tax certificate to be issued against the property which may result in a loss of title.

The Board will hold a public hearing at _____ a.m. on Tuesday, May 15, 2001 in the Commission Chambers located on the first floor of the County Administrative Center at 201 South Rosalind Avenue, Orlando, Florida, for the purpose of receiving comments on the proposed assessments, including collection on the ad valorem tax bill. You are invited to attend and participate in the hearing. You may also file written objections with the Board prior to or during the hearing. If you decide to appeal any decision made by the Board with respect to any matter considered at the hearing, you will need a record of the proceedings and may need to ensure that a verbatim record is made, including the testimony and evidence upon which the appeal is to be made. In accordance with the Americans with Disabilities Act, if you need a special accommodation or an interpreter to participate in this proceeding, please contact the Orange County Communications Division at (407) 836-5500 at least 48 hours prior to the date of the hearing.

If you have any questions, please contact the Comptroller's office at (407) 836-5770.
