WHEREAS, the County may incur certain costs eligible for reimbursement under the Loan Program prior to issuance of Bonds or Notes funding the Loan Program; and

WHEREAS, United States Treasury Regulations §1.150-2 (the "Reimbursement Regulations") prescribe conditions under which proceeds of bonds, notes or other obligations ("Bonds") used to reimburse advances made for capital and certain other expenditures ("Original Expenditures") paid before the issuance of such Bonds will be deemed to be expended (or properly allocated to expenditures) for purposes of Sections 103 and 141-150 of the Internal Revenue Code of 1986, as amended (the "Code"), upon such reimbursement so that the proceeds so used will no longer be subject to requirements or restrictions under those sections of the Code; and

WHEREAS, Orange County wishes to take steps to comply with the Reimbursement Regulations.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF ORANGE COUNTY, FLORIDA AS FOLLOWS:

Section 1. Definitions. The following definitions apply to the terms used herein:

“Authorized Officer” means the County Chairman or any person designed for the purpose by the Board of County Commissioners of Orange County, Florida.

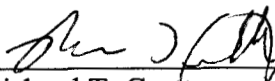

“Declaration of Official Intent” means a declaration of intent, in the form, manner and time contemplated in the Reimbursement Regulations, that the advances for expenditures referred to therein are reasonably expected to be reimbursed from the proceeds of Bonds to be issued after those expenditures are paid.

“Reimbursement” or “reimburse” means the restoration to the Borrower of money temporarily advanced from its own funds and spent for Original Expenditures before the issuance of the Bonds, evidenced in writing by an allocation on the books and records of the Borrower that shows the use of the proceeds of the Bonds to restore the money advanced for the Original Expenditure. “Reimbursement” or “reimburse” generally does not include the refunding or retiring of Bonds previously issued and sold to, or borrowings from, unrelated entities.

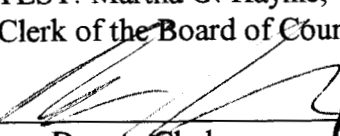

Section 2. Authorization and Requirement of Declarations of Official Intent. Each Authorized Officer is authorized to prepare and sign Declarations of Official Intent in substantially the form attached with respect to Original Expenditures to which the Reimbursement Regulations apply, to be made from money temporarily advanced and that is reasonably expected to be reimbursed (in accordance with applicable authorizations, policies and practices) from the proceeds of Bonds, to make appropriate reimbursement and timely allocations from the proceeds of the Bonds to reimburse such prior expenditures, and to take any other actions as may be appropriate, all at the times and in the manner required under the Reimbursement Regulations in order for the reimbursement to be treated as an expenditure of such proceeds for purposes of Section 103 and 141 to 150 of the Code. No advance from any fund or account or order for payment may be made for Original Expenditures (other than expenditures excepted from such requirement under the Reimbursement Regulations) that are to be reimbursed subsequently from proceeds of Bonds unless a Declaration of Official Intent with respect thereto is made within the time required by the Reimbursement Regulations.
