**ORANGE COUNTY BOARD OF COUNTY COMMISSIONERS**  
*regarding*  
**CREATING THE PROCEDURE FOR AUTHORIZING  
SHORELINE STABILIZATION AND PUBLIC BOAT RAMPS  
DAMAGED AS A RESULT OF THE 2004 HURRICANE SEASON  
AND ANY DAMAGE INCURRED BY THE 2006 HURRICANE  
SEASON;  
PROVIDING FOR AN EFFECTIVE DATE**

**Resolution No. 2006- M-37**

WHEREAS, the repair and restoration of shorelines constitute the alteration of shorelines and is subject to regulation under Article VI, Pumping and Dredging Control, of Chapter 15 of the Orange County Code and the repair of Boat Ramps of Chapter 15, Article XV, of the Orange County Code.

WHEREAS, the storms associated with the 2004 hurricane season caused significant damage to the shorelines and public boat ramps of Orange County waters and there may also be damage incurred by the 2006 hurricane season; and

WHEREAS, the damaged or heavily eroded shorelines may cause environmental harm to the waters of Orange County due to deposition of upland sediments into the littoral zone of a waterbody, along with increased turbidity; and

WHEREAS, unstable shorelines may create a hazard to persons using the shoreline; and sediment from damaged shorelines may create a navigational hazard; and

WHEREAS, repair and restoration of damaged or destroyed shorelines and public boat ramps will prevent or reduce damage to property caused by the storm event and subsequent storm events; and

WHEREAS, the Board of County Commissioners desires to create a process to encourage the expeditious repair of shorelines and public boat ramps damaged during the 2004 hurricane season and any damage incurred by the 2006 hurricane season; and

WHEREAS, the Board of County Commissioners desires to delegate to the Environmental Protection Officer the authority to approve permits for the repair and restoration of damaged or heavily eroded shorelines and public boat ramps; and

WHEREAS, the Board desires that all repair and restoration work be completed on or before June 1, 2007 - the beginning of the 2007 hurricane season.

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY

COMMISSIONERS OF ORANGE COUNTY:

Section 1. The Board of County Commissioners hereby delegates to the Environmental Protection Officer the authority to issue permits under Section 15-218, Orange County Code, for the repair or restoration of shorelines damaged or severely eroded during the 2004 hurricane season and any damage that may be incurred by the 2006 hurricane season, upon the determination of the Environmental Protection Officer that the application for a shoreline alteration permit complies with the applicable provisions of Article VI of Chapter 15, Orange County Code.

Section 2. The Environmental Protection Officer may only issue permits under Section 1 above for applications that maintain the configuration of the original shoreline. Any changes to the configuration of the shoreline must be approved by the Board of County Commissioners as set forth in Section 15-218, Orange County Code. This resolution does not authorize the Environmental Protection Officer to issue any permit for the construction or repair of a seawall (this is addressed under Resolution 2004-M-38).

Section 3. The Board of County Commissioners hereby delegates to the Environmental Protection Officer the authority to issue permits under section 15-605, Orange County Code, for the repair of public boat ramps eroded or damaged by the 2004 hurricane season and any damage that may be incurred by the 2006 hurricane season, upon the determination of the Environmental Protection Officer that the application for boat ramp repair permit complies with the applicable provisions of Article XV of Chapter 15, Orange County Code.

Section 4. The Environmental Protection Officer may only issue permits under Section 3

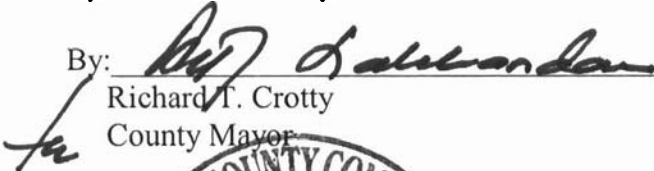

above for applications that maintain the configuration of the public boat ramp. Any changes to the configuration of the boat ramp must be approved by the Board of County Commissioners as set forth in Section 15-605, Orange County Code. This resolution does not authorize the repair of private boat ramps.

Section 5. Any permit issued by the Environmental Protection Officer shall require the work to be completed within one year of permit issuance or June 1, 2007, whichever first occurs.

Section 6. This Resolution shall be effective upon passage by the Orange County Board of County Commissioners. This Resolution shall sunset on June 1, 2007, unless extended by approval of the Orange County Board of County Commissioners.

ADOPTED this 13<sup>th</sup> day of June, 2006.
