RESOLUTION NO. 2007-M-43

A RESOLUTION ADOPTING A REVISED WATER SYSTEM CHARGE SCHEDULE; REVISING CERTAIN COUNTY WATER SYSTEM CHARGES; PROVIDING FOR AN AUTOMATIC ANNUAL INCREASE; REVISING THE CONSERVATION CHARGE; PROVIDING FOR PERIODIC REVIEW; PROVIDING FOR REVIEW FINDINGS; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the Board of County Commissioners of Orange County establishes and collects rates, fees, and charges for its water system pursuant to its home rule powers granted to the County by the Florida Constitution, the Orange County Charter, Chapter 125 of Florida Statutes and any other applicable statutory authority.

WHEREAS, the Board of County Commissioners last adopted a revised Water System Charge Schedule on January 11, 2005.

WHEREAS, the Board of County Commissioners has analyzed and caused to be prepared a report on the County's water system rates, fees and charges.

WHEREAS, as a result, the Board now declares the need to adopt the recommendations of that study by revising the County's water system rates, fees and charges.

BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF ORANGE COUNTY:

Section 1. Revised Water System Charge Schedule. The Board of County Commissioners (the "Board") hereby adopts the revised Water System Charge Schedule attached to and incorporated herein as Exhibit "A". This Resolution and the attached Schedule supersede the presently existing Water System Charge Schedule adopted January 11, 2005, and, upon the effective date of this Resolution, hereby repeals Resolution No. 2005-SW-01 in its entirety.

Section 2. Automatic Annual Rate Increase. The Board previously adopted by Resolution and hereby re-confirms and re-adopts the provision for an automatic annual rate increase for the services described on Exhibit "A" as "Fixed Monthly Charge" and "Volume Charge". Effective October 1, 2008, and on October 1<sup>st</sup> of each year thereafter, an automatic annual increase shall be three percent (3%) of all rates, fees and charges contained in the then current Water System Charge Schedule in effect immediately prior to the effective date of such automatic annual

rate increase. The Board further directs that on the effective date of each automatic annual rate increase, the Water System Schedule in effect immediately prior to the effective date of such increases shall be revised to include the three percent (3%) increase, and that a copy of such revised Schedule shall be maintained for public inspection by the Clerk to the Board of County Commissioners. The automatic annual rate increase shall not apply to Water capital charges, to the category of services on Exhibit "A" entitled "Specific Service Charges", and to the category of services described on Exhibit "B", the Water Meter Charge Schedule".

Section 3. Meter Fees and Meter Installation Fees; Time of Payment. Beginning on the effective date of this Resolution, all meter fees and meter installation fees shall be paid prior to the issuance of the first building permit for a structure or structures in the project to be served by the County's overall Water System, unless superseded by other County Ordinances or Resolutions. All of those who, as of the effective date of this Resolution, have received building permits for a structure or structures to be served by the County's overall Water System but have not yet paid applicable meter fees and meter installation fees shall pay the adopted applicable meter fees and meter installation fees prior to connection. Said fees shall be determined pursuant to the Water Meter Charge Schedule, attached hereto as Exhibit "B". Meter Fees and Meter Installations Fees shall not be subject to automatic annual rate increases provided for in Section 2 herein.

Section 4. Conservation Charges. The Board previously adopted conservation charges to promote water usage conservation. The Board hereby reconfirms the conservation charges and adopts the conservation charges, which shall be as set forth in the Water System Charge Schedule attached hereto as Exhibit "A" and shall be subject to the automatic annual rate increase provided for in Section 2 herein.

Section 5. Periodic Rate Review. The Board shall periodically conduct a review of the rates, fees and charges set forth in the Orange County Water System Charge Schedule.

Section 6. Annual Notice to Customers. Each year, the Orange County Utilities Department shall send annual written notification to all customers of the Orange County Water

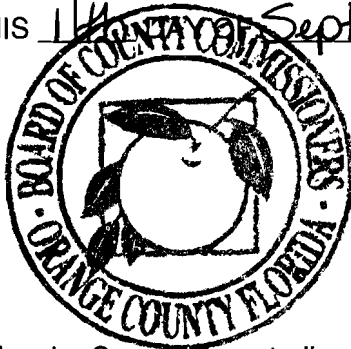

System of the County's monthly user rates, fees and charges as set forth in the then current Orange County Water System Charge Schedule.

Section 7. Review of Resolution. The Board hereby finds that all conditions precedent to adoption of this Resolution, pursuant to Section 30-2 of the Orange County Code, have been fulfilled.

Section 8. Severability of Provision. If any provision of this Resolution or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of this Resolution which can be given effect without the valid provision or application and to this end the provisions of this Resolution are declared severable.

Section 9. Effective Date. This Resolution shall become effective on October 1, 2007.

ADOPTED THIS 14th of September, 2007.

Note: Following satisfactory completion of the water supply and distribution system, and upon receipt of the applicable meter/connection fee, the Orange County Utilities Department (OCUD) shall furnish and install the necessary fittings, meter, and meter box at the property line. The owner or developer of the property desiring service shall bear the expense of the service lateral pipe of the required size, from and including its connection with a corporation stop at the water distribution main in the right-of-way to and including a curb stop at the property line. Service piping from the meter to the building is to be installed by and/or at the expense of the property owner or builder.

FOOTNOTES

- (1) The OCUD shall determine the appropriate meter size for use by all its customers.
- (2) Does not include any cost associated with construction of a water lateral from the meter to the water main providing service; in the majority of cases, the developer constructs the lateral. In situations where the OCUD would be responsible for the lateral, the cost of the lateral would be charged to the customer on a time, materials, and pro rata overhead cost basis.
