# RESOLUTION

*of the*  
**ORANGE COUNTY BOARD OF COUNTY COMMISSIONERS  
EXPRESSING SUPPORT FOR  
AND  
ESTABLISHING THE  
INTERNATIONAL DRIVE ART PROGRAM  
PILOT PROJECT**

**Resolution No. 2010-M-64**

**WHEREAS**, members of the International Drive community have expressed to the Orange County Board of County Commissioners (BCC) a desire to create a program for the International Drive area that will incorporate crime prevention through environmental design (CPTED); and

**WHEREAS**, the specific goal of the CPTED program for the International Drive area is to reduce crime and enhance beautification in the area by rolling CPTED principals into the International Drive Art Program (IDAP); and

**WHEREAS**, the standards and objectives of the IDAP are stated in the program goals, process and procedures stated at Exhibit "A", which is attached hereto and incorporated herein by reference; and

**WHEREAS**, members of the International Drive community have requested the BCC approve and express support for an IDAP pilot project that would be initially implemented on County-owned facilities located in unincorporated Orange County, specifically within the confines of the geographical area known as the Tourism District, as defined in section 38-1 of the Orange County Code, and as such area is described in "Exhibit B" hereto; and

**WHEREAS**, members of the International Drive community have requested the BCC approve and express support for an IDAP pilot project which will initially include aesthetic improvements to no more than 15 County-owned facilities, including but not limited to utility and electric boxes and abandoned spaces that are located in County right of way; and

**WHEREAS**, responsibility for installation and maintenance of the aesthetic improvement of the County-owned facilities is intended to be accomplished by the ETC of Central Florida, Inc., a Florida Non Profit Corporation (ETC), and other similar donor entities, subject to subsequent execution and approval of the appropriate right of way utilization permits for this purpose; and

**WHEREAS**, members of the International Drive community have requested the BCC approve and express support for the CPTED pilot project for appropriate County-owned facilities located in the County's Tourism District.

**NOW, THEREFORE, BE IT RESOLVED BY THE ORANGE COUNTY BOARD OF COUNTY COMMISSIONERS:**

**Section 1. Declaration of Support for International Drive Art Program Pilot Project.** The Orange County Board of County Commissioners hereby approves and expresses its support for the International Drive Art Program Pilot Project subject to the following conditions:

●The Pilot Project will include aesthetic improvements to no more than 15 County-owned facilities, including but not limited to utility and electric boxes and abandoned spaces that are located in County right of way, as identified and approved by the County Administrator or designee

●The Pilot Project period shall not exceed a period of 18 months from date of installation of the first improvement.

●It is anticipated that the improvements will be funded by private funding sources and/or by existing special taxing districts that allow for this type of contribution.

**Section 2. Effective date.** This Resolution shall take effect on the date of its adoption.

**DONE and ORDERED this 17 DAY of AUGUST, 2010.**

Deputy Clerk

## **EXHIBIT A**

### **INTERNATIONAL DRIVE ART PROGRAM**

#### **Goal of the Program**

Members of the International Drive community have met and stated a goal of creating a program for the area to incorporate crime prevention through environmental design (CPTED). The specific goal of the CPTED program for the International Drive area is to reduce crime and enhance beautification in the area.

This CPTED project will be funded using private donations and sponsorships. The International Drive community intends to ask students from UCF to design work consistent with CPTED principals and then compete to have their art shown. Students will receive a small retainer for the rights to that artwork. As the program expands it is the intent of the sponsors that more artists and schools be brought in to participate in the program.

#### **Process and Procedure**

- 1) UCF will coordinate identifying students who wish to participate in the CPTED/International Drive Art Program. The winners will receive \$500.00 each for their submissions and the rights to reproduce their work.
- 2) Artwork submitted will be geared towards implementing CPTED principals while supporting the overall design in the tourist district, as described in Exhibit B.
- 3) An International Drive Art Program (IDAP) committee will be created to approve artwork and provide feedback on the program by applying CPTED principals in art design. This IDAP committee will consist of individuals from ETC, Downtown Orange County/Convention Center, the International Drive Chamber of Commerce, the Sheriff's Crime Prevention Unit, the City of Orlando and the County Public Works division.

- 4) Upon IDAP Committee approval, utility/electric boxes/abandoned spaces in the International Drive area will be wrapped in the winning artwork.
- 5) Maintenance on the initial boxes will come from the \$5000.00 ETC seed money. Subsequent maintenance of the sponsored boxes will be the responsibility of the sponsoring entity.
- 6) To begin with the geographic span of the International Drive Art Program project is to begin along International Drive from Universal Boulevard to the Central Florida Parkway.
