WHEREAS, AA Metals anticipates that the new jobs to be created will include approximately seventeen (17) administrative positions; three (3) management positions; eleven (11) production positions; and eleven (11) sales positions; and

WHEREAS, AA Metals has applied to the Executive Office of the Governor, Department of Economic Opportunity for approval as a qualified QTI Program applicant, and has applied for \$126,000 in tax refunds from the State of Florida under the QTI Program, representing \$3,000 per job; and

WHEREAS, in order for AA Metals to be approved as a “qualified applicant” under the QTI Program, the Orange County Board of County Commissioners must adopt a resolution recommending the approval of AA Metals as a “target industry business,” and committing “local financial support” in an amount equal to 20% of the annual tax refund up to but not exceeding \$25,200 over the course of AA Metals’ eligibility as a “qualified applicant”; and

WHEREAS, competition for AA Metals expansion exists outside of Florida, and financial incentives are necessary to ensure that this project comes to Orange County.

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF ORANGE COUNTY:

Section 1. The Board of County Commissioners of Orange County, Florida, hereby recommends that the State of Florida Department of Economic Opportunity approve AA Metals as a “qualified applicant” under the QTI Program.

Section 2. Such amount shall be payable to the Economic Development Incentives Account within the Economic Development Trust Fund as specified herein.

Section 3. The Board’s promise to pay the amount specified in this Resolution is contingent upon (i) appropriation by the Board in each applicable year authorizing payment of the revenues hereunder, (ii) AA Metals receiving the designation as a “qualified applicant” in connection with the QTI Program, and (iii) on an annual basis, award by the State of Florida of tax refunds under the QTI Program.

Such sums shall be paid from any legally available source or sources of revenue other than those specified in the QTI Program (or rules promulgated thereunder) as being ineligible for such purpose.

Section 5. In the event AA Metals is approved by the State of Florida for tax refunds in an amount less than the \$126,000 requested, the “local financial support” to be paid by the County to the Economic Development Incentives Account shall be proportionately reduced so

that at no time will the County contribution exceed twenty percent (20%) of the annual tax refund awarded to AA Metals under the QTI Program.
