RESOLUTION NO. 2017-M- 23

A RESOLUTION SETTING A REVISED PRELIMINARY WATER SYSTEM CHARGE SCHEDULE; PROVIDING FOR AN AUTOMATIC ANNUAL INCREASE; SETTING A REVISED PRELIMINARY WATER METER CHARGE SCHEDULE; SETTING A PRELIMINARY CROSS CONNECTION CONTROL PROGRAM FEE EFFECTIVE JANUARY 1, 2018; PROVIDING FOR PERIODIC REVIEW; PROVIDING FOR ANNUAL NOTICE TO CUSTOMERS; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the Board of County Commissioners of Orange County (the "Board") establishes and collects rates, fees, and charges for its water system pursuant to its home rule powers granted to the County by the Florida Constitution, the Orange County Charter, Chapter 125 of Florida Statutes and any other applicable statutory authority; and

WHEREAS, the Board last adopted a revised Water System Charge Schedule and a Water Meter Charge Schedule on July 23, 2009 pursuant to Resolution 2009-M-27; and

WHEREAS, Florida Administrative Code 62-555 and 62-610 require the County to have a Cross Connection Control Program (the "Program") to protect the public water supply; and

WHEREAS, the Board has determined in the best interest of the public health to proactively manage the Program on behalf of its water customers at significant expense to the County; and

WHEREAS, the Board has determined it necessary to recover certain Program costs through a monthly Program fee (the "Program Fee"); and

WHEREAS, the Utilities Department has prepared an analysis to establish such Program Fee based upon the projected Program costs; and

WHEREAS, as a result, the Board now declares the need to adopt the recommendations of that analysis by establishing the Program Fee for the Program within its Water System Charge Schedule; and

WHEREAS, Chapter 153, Florida Statutes, requires the County to adopt a resolution setting forth preliminary rate schedules prior to a public hearing after which hearing such rates may be adopted and put into effect; and

WHEREAS, the Board now desires to adopt this resolution setting forth such preliminary rate schedules.

THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF ORANGE COUNTY:

Section 1. Premises. The foregoing premises are true and correct and incorporated herein by reference.

Section 2. Preliminary Revised Water System Charge Schedule. The Board hereby adopts the revised Preliminary Water System Charge Schedule attached to and incorporated herein as Exhibit "A". After final adoption at a public hearing, the attached Schedule will supersede the presently existing Water System Charge Schedule adopted July 23, 2009. .

Section 3. Automatic Annual Rate Increase. The Board previously adopted by Resolution and hereby re-confirms and re-adopts the provision for an automatic annual rate increase for the services described on Exhibit "A" as "Fixed Monthly Charge" and "Volume Charge". Effective on October 1st of each year hereafter, an automatic annual increase shall be three percent (3%) of all rates, fees and charges contained in the then current Water System Charge Schedule in effect immediately prior to the effective date of such automatic annual rate increase. The Board further directs that on the effective date of each automatic annual rate increase, the Water System Charge Schedule in effect immediately prior to the effective date of such increases shall be revised to include the three percent (3%) increase, and that a copy

of such revised Schedule shall be maintained for public inspection by the Clerk to the Board of County Commissioners. The automatic annual rate increase shall not apply to Water Capital Charge, to the category of services on Exhibit "A" entitled "Specific Service Charges", and to the category of services described on Exhibit "B", the "Preliminary Water Meter Charge Schedule".

Section 4. Preliminary Revised Meter Charges and Meter Installation Charges; Time of Payment. The Board hereby adopts the revised Preliminary Water Meter Charge Schedule attached to and incorporated herein as Exhibit "B". Upon final adoption, the attached Schedule shall supersede the presently existing Water Meter Charge Schedule adopted July 23, 2009.

The Board hereby re-confirms that all meter charges and meter installation charges shall be paid prior to the issuance of the first building permit for a structure or structures in a project to be served by the County's overall Water System, unless superseded by other County Ordinances or Resolutions. Said charges shall be determined pursuant to the revised Preliminary Water Meter Charge Schedule, attached hereto as Exhibit "B". Meter Charges and Meter Installation Charges shall not be subject to automatic annual rate increases provided for in Section 3 herein.

Section 5. Preliminary Revised Conservation Charges. The Board previously adopted conservation charges to promote water usage conservation. The Board hereby re-confirms the conservation charges and adopts the revised preliminary conservation charges, which shall be as set forth in the Preliminary Water System Charge Schedule attached hereto as Exhibit "A" and shall be subject to the automatic annual rate increase provided for in Section 3 herein.

Section 6. Periodic Rate Review. The Board shall periodically conduct a review of the rates, fees and charges set forth in the Orange County Water System Charge Schedule.

Section 7. Annual Notice to Customers. Each year, the Orange County Utilities Department shall send annual written notification to all customers of the Orange County Water System of the County's monthly user rates, fees and charges as set forth in the then current Orange County Water System Charge Schedule.

Section 8. Review of Resolution. The Board hereby finds that all conditions precedent to adoption of this Resolution, pursuant to Section 30-2 of the Orange County Code, have been fulfilled.

Section 9. Severability of Provision. If any provision of this Resolution or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of this Resolution which can be given effect without the valid provision or application and to this end the provisions of this Resolution are declared severable.

Section 10. Effective Date. This Resolution shall become effective upon approval.

ADOPTED THIS _____ DAY OF _____ JUL 18 2017 _____, 2017.

FOOTNOTES

- (1) Following satisfactory completion of the water supply and distribution system, and upon receipt of the applicable meter/connection fee, the Orange County Utilities Department (OCUD) shall furnish and install the necessary fittings, meter, and meter box at the property line. The owner or developer of the property desiring service shall bear the expense of the service lateral pipe of the required size, from and including its connection with a corporation stop at the water distribution main in the right-of-way to and including a curb stop at the property line. Service piping from the meter to the building is to be installed by and/or at the expense of the property owner or builder.
- (2) The OCUD shall determine the appropriate meter size for use by all its customers.
- (3) Does not include any cost associated with construction of a water lateral from the meter to the water main providing service; in the majority of cases, the developer constructs the lateral. In situations where the OCUD would be responsible for the lateral, the cost of the lateral would be charged to the customer on a time, materials, and pro rata overhead cost basis.
