WHEREAS, the supply of water for fire purposes is a mutual concern of the Orlando Utilities Commission and the Board of County Commissioners; and

WHEREAS, the Board of County Commissioners has reviewed the method of recovering costs for fire hydrant maintenance in its own water system and determined that the most efficient point of collection for such costs is through the water utility bill; and

WHEREAS, the National Fire Protection Association has endorsed the practice of providing for fire hydrant operation and maintenance through water rate structures; and

WHEREAS, the above practice is consistent with generally accepted accounting principles.

NOW, THEREFORE BE IT RESOLVED, that the Board of County Commissioners:

1. Requests the Orlando Utilities Commission to adopt the practice of incorporating fire hydrant maintenance costs in its water rate structure.

RESOLVED THIS 9th DAY OF March, 1982.

BOARD OF COUNTY COMMISSIONERS OF ORANGE COUNTY

BY: [Signature]
Chairman

ATTEST:

[Signature]
Deputy Clerk to the Board of County Commissioners
