NO. 83-ENV-05

WHEREAS, The ORANGE COUNTY, hereinafter
(name of agency applying for funds)
referred to as the Grantee, is a county, city, special district, or
government agency as defined in the Department of Natural Resources'
administrative rules of Chapter 16C-50, Florida Administrative Code,
and

WHEREAS, the Grantee is responsible for aquatic plant control in
waters within the area of its jurisdiction, and

WHEREAS, the Grantee acknowledges the necessity of assigning a
Project Administrator to serve as a liaison with the Department in
routine matters and provide direct supervision and administration, and

WHEREAS, the Grantee acknowledges the necessity of assigning a
Project Financial Officer who is primarily responsible for maintaining
the Grantee's financial and accounting records; now, therefore,

BE IT RESOLVED that the waters to be managed for Aquatic Plant
Control with the use of funds from the Grantee's aquatic plant control
budget, which is submitted as partial fulfillment of the State Aquatic
Plant Control Funding Program application requirements and coincides
with the Grantee's approved work plan, are accessible to the general
public or are managed for flood prevention for public benefit; and

BE IT RESOLVED that William J. Masi is the Grantee's
(name of Project Administrator)

assigned Project Administrator who is knowledgeable of all provisions of
the State Aquatic Plant Control Funding Program and chapter 16C-50,
Florida Administrative Code; and

BE IT RESOLVED that Jack A. Blankenship is the Grantee's
(name of Project Financial Officer)

assigned Project Financial Officer who is knowledgeable of all financial and
accounting requirements of the State Aquatic Plant Control Funding Program and
chapter 16C-50, Florida Administrative Code.
