

JAN 10 1983

R E S O L U T I O N NO. 83-M-02

Road Improvements

Martin Marietta

WHEREAS, the Board of County Commissioners, Orange County, Florida, has determined the need for the extension of Lake Underhill Drive and Alafaya Trail; reconstruction of Dean Road; realignment of Lake Underhill Drive and Chickasaw Trail including signalization of East West Expressway and Chickasaw Trail intersection; other minor intersection improvements.

WHEREAS, Orange County has entered into an agreement with the Division of Economic Development of the Department of Commerce for their participation in the cost of the above project.

NOW, THEREFORE, BE IT RESOLVED THAT the Board of County Commissioners agrees:

1. The County shall accept future maintenance and other attendant costs occurring after completion of the project.
2. The County agrees to design and construct the project in accordance with standards promulgated by the Department of Transportation in accordance with Section 335.075, Florida Statutes, and provide certification of same to the Division of Economic Development.
3. The County certifies that necessary foundation permits for construction by the business entity, Martin Marietta, have been issued and received by the business entity and that the business entity development is presently under construction.
4. The County agrees to provide a copy to the Division of Economic Development of appropriate documentation reflecting that all required right of way has been obtained and meets the definition of right of way as set forth in Section 334.03 (09), Florida Statutes, 1979.

Road Improvements

Martin Marietta

5. The County shall award any construction of the project costing in excess of \$50,000 (exclusive of in-kind project cost) to the lowest and best bidder, in accordance with applicable state and federal statutes and regulations.

ADOPTED THIS 10th OF January, 1983

BOARD OF COUNTY COMMISSIONERS
OF ORANGE COUNTY, FLORIDA

Law Treadway
Chairman

ATTESTED:

Mary J. Garrison
Deputy Clerk to Board of County
Commissioners
