Re: Section 75040 - SR 527

Dear Mr. Holley:

We have completed a review of the need to remove an area of on-street parking on southbound SR 527 just south of Wilkes Avenue. The area of parking removal is shown in the enclosed drawing and was requested by the owners of the Second Season Shop.

We recommend that the parking be removed. The Department normally asks the local government to concur by resolution in the removal of on-street parking. A sample resolution has been enclosed for your use.

Your assistance in this is appreciated.

Sincerely,
