2. Pursuant to the recommendations contained within the Plan, the Board of County Commissioners is considering adoption of an ordinance imposing a law enforcement impact fee.

3. The purpose of the impact fee is to assess new development its pro rata share of the capital costs of providing law enforcement services for that new development.

4. The impact fee is part of a five year plan for providing a uniform county-wide law enforcement service standard of 343.34 calls for service per field officer per year.

BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF ORANGE COUNTY, FLORIDA:

1. The Five Year Law Enforcement Manpower Allocation Plan and related information provided by County staff and others has provided the Board with sufficient information to assess the long term and short term, public and private, costs and benefits of the proposed law enforcement impact fee. Further study of the economic impact of the proposed fee is not necessary.
