RESOLUTION NO. 86-LEG-06

A RESOLUTION ENDORSING AND URGING ACCEPTANCE OF A BIFURCATED RECOMMENDATION BY THE GOVERNOR OF FLORIDA'S GROWTH MANAGEMENT ADVISORY COMMITTEE (1) THAT THE LEGISLATURE OF THE STATE OF FLORIDA FUND THE STATE'S MANDATED COST OF GROWTH MANAGEMENT LEGISLATION IN AN AMOUNT OF NOT LESS THAN 10 MILLION DOLLARS, AND (2) THAT THE GOVERNOR BUDGET FUNDS FOR THE DEPARTMENT OF TRANSPORTATION'S GROWTH MANAGEMENT CAPACITY.

WHEREAS, the Governor of Florida's Growth Management Advisory Committee (GMAC) adopted, inter alia, a bifurcated recommendation at its regularly scheduled meeting of May 14, 1986, in Tallahassee;

WHEREAS, the GMAC recommended in part that the Governor reemphasize to the State Legislature that it adequately fund the State's mandated cost of Growth Management Legislation, that the most conservative estimate of what the actual cost will be is approximately \$22 million, that a sum of not less than \$10 million should be appropriated this year, and that an amount of less than \$10 million would be an inadequate commitment which would result in a commitment of inferior quality from local government;

WHEREAS, the GMAC's also recommended in part that the Governor commit use of budgeted funds for the Florida Department of Transportation's (DOT) growth management capacity in the DOT's districts; and

WHEREAS, the GMAC's recommendation, if accepted, will ultimately benefit the people of Orange County, both directly and indirectly.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF ORANGE COUNTY, FLORIDA:

1. The GMAC's recommendation is endorsed without reservation.

2. It is urged that the GMAC's recommendation be accepted by the Governor.
