

#88-ENV-01  
RESOLUTION  
TO THE  
C.A.R.L. SELECTION COMMITTEE

WHEREAS, the proposed C.A.R.L. acquisition site known as "Seminole Woods" will provide an excellent site for the use of Orange, Lake, and Seminole County Residents; and

WHEREAS, the Orange County Commission supports intercounty cooperation in regional planning of Conservation and Recreational Planning; and

WHEREAS, the "Seminole Woods" environmental site will provide for protection for surface waters on their way to the St. John's River System; and

WHEREAS, the "Seminole Woods" environmental site will in its multi-use plan, help to provide for an environmental corridor and provide protected habitat for wildlife for several of Florida's endangered species.

NOW, THEREFORE, BE IT RESOLVED that the Orange County Commission does wholly support the acquisition of lands known to the C.A.R.L. Selection Committee as "Seminole Woods," for the purpose of establishing a multi-use environmental site.

DONE AND RESOLVED this 1st of February, 1988.
