RESOLUTION NO. 88-M-07

A RESOLUTION ADDING THE ORANGE COUNTY HIGHWAY MAINTENANCE DEPARTMENT TO THE LIST OF ORANGE COUNTY DEPARTMENTS WHICH ARE AUTHORIZED TO MAKE CERTAIN PURCHASES FOR EMERGENCY PURPOSES.

PREMISES

1. On September 3, 1980, the Board of County Commissioners of Orange County, Florida adopted a resolution finding and declaring that certain purchases described in that resolution were emergency purchases which could be made without following the bid solicitation process otherwise required by County Ordinance.

2. Orange County desires to add certain purchases by the Orange County Highway Maintenance Department to the coverage of that resolution and the exception to bid solicitation requirements which that resolution made.

3. The County Administrator and the Orange County Commission ("the Commission") have determined that the public health, safety and welfare would be adversely affected by requiring certain necessary purchases by the Orange County Highway Maintenance Department to go through the bid solicitation process, and that the functioning of the Orange County Highway Maintenance Department could be severely hampered by the administrative delay involved in the bidding process.

BE IT RESOLVED BY THE ORANGE COUNTY COMMISSION OF ORANGE COUNTY, FLORIDA THAT:

Section 1. Section 1 of the Orange County Resolution adopted September 3, 1980, a copy of which is attached and incorporated here by reference, is amended by adding the following subsection to that Resolution:

g. Highway Maintenance Department - those purchases necessary to ensure effective highway maintenance protection to the citizens of and visitors of Orange County. Such purchases may include, but are not limited to, purchases necessary to repair roads, equipment and that which is necessary to the health and safety of the public and Highway Maintenance Department members.

Section 2. Effective date. This resolution shall take effect upon its adoption.

ADOPTED THIS 1<sup>st</sup> DAY OF FEBRUARY 1988.
