NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF ORANGE COUNTY, FLORIDA:

Section 1. The foregoing "WHEREAS" clauses are presumed to be true and correct and are hereby incorporated into the text of this Resolution.

Section 2. Creation of MSTU; Imposition of Assessments, Method of Collection. The Board hereby creates an MSTU for the purpose of providing those improvements listed in Section 3(a) below to Darlene Drive/Kilgore Road and imposes the non-ad valorem special assessments described below against all benefited properties, a list of which is contained in Exhibit "A". It is the intent of the Board that the Uniform Method for levy, collection and enforcement of non-ad valorem assessments, as Section 197.3631, et seq., Florida Statutes, grants, shall be sued for collecting these non ad valorem assessments.

Section 3. The Project.

(a) Nature of Improvement. The project to be paid for (either partially or in full) from special assessment proceeds is Paving and Drainage Improvements.

(b) Location of Project. These improvements to Darlene Drive/Kilgore Road shall be made from the paved portion of

Darlene Drive to the south to the paved portion of Kilgore Road to the north.

(c) Estimated Cost. The estimated capital cost of the improvements is \$590,500.00 plus county administrative expenses.

Section 4. Assessments.

(a) Portion of Capital Cost Paid by Assessments. Of the total estimated capital cost in Section 3(c), \$295,250.00 shall be paid from the proceeds of special assessments. The balance of the cost shall be paid by Orange County.

(b) Manner of Assessment; Declaration of Benefit. All benefited property shall be assessed at the rate of \$652.63 per acre and the Board hereby declares that such method of assessment is proportionate to and not in excess of the special benefits to be derived by each benefited property from the road improvements.

(c) Annual Installments; Interest. Assessments may be paid over five (5) years in equal annual installments as provided in Section 17-344 of the Orange County Code and shall bear interest at the rate of ten (10) percent per annum as provided in Section 17-349 of the Code. The first installment shall be due and payable with the 1992 Tax Bill.

(d) Collection of Annual Installments. The Board hereby expresses its intent to use and authorizes the use of the Uniform Method pursuant to Chapter 197, Florida Statutes, for

the collection of the annual installments of the non ad valorem special assessments imposed by this Resolution for the period of years stated in subsection (c) above.

Section 5. Assessed Lands; Individual Assessments. The specific properties benefited by these road improvements and the assessments imposed on each of them are shown in Exhibit "A" to this Resolution.

Section 6. Special Provisions.

(a) All proceeds of special assessments imposed by this Resolution may be used either to pay directly the cost of the stated improvements or to reimburse the County for expenditures made for such improvements.

(b) Upon final payment of all assessments plus accrued interest, this MSTU shall stand abolished.
