RESOLUTION NO 96-M-24

A RESOLUTION AUTHORIZING RECEIPT FROM THE OWNERS OF WOODBURY PARK SUBDIVISION OF IRREVOCABLE LETTERS OF CREDIT ON THE DAY OF ALLOCATION IN THE EASTERN WASTEWATER SERVICE AREA OF SEWER SERVICE CAPACITY IN LIEU OF IMMEDIATE PAYMENT AT THAT TIME FOR SUCH CAPACITY; DEFERRING SUCH PAYMENT UNTIL TIME OF BUILDING PERMIT APPROVAL; ESTABLISHING CERTAIN PROVISIONS, TERMS AND CONDITIONS ON SUCH DEFERRAL OF PAYMENT AND RECEIPT OF LETTERS OF CREDIT; PROVIDING AN ECONOMIC IMPACT DETERMINATION; PROVIDING FOR SEVERABILITY OF PROVISIONS; AND PROVIDING AN EFFECTIVE DATE.

PREMISES

1. Woodbury Park (hereinafter sometimes the "Project") is a proposed affordable housing development to consist of approximately 73 single-family housing units to be constructed by Zom Development, Inc., a Florida corporation (hereinafter "Developer") on Woodbury Road on property more particularly described in Exhibit "A" attached hereto, in an area subject to the Eastern Wastewater Service Area Allocation Rules.

2. The proposed project is located in Orange County with Sewer Service Capacity provided by Orange County. Said Developer has met the affordability guidelines established in Administrative Regulation 11.02.06 and is desirous of utilizing a letter of credit to defer payment of sewer capital charges.

3. The Developer wishes to apply for sewer service capacity for the Project in the Eastern Wastewater Service Area on the next designated allocation day and to defer payment of sewer capital charges by submission of letters of credit in lieu of immediate cash payment, as provided for in the Eastern Wastewater Service Area Allocation Rules, codified as Sections 37-401 through 37-408, Orange County Code.

4. The Board of County Commissioners (hereinafter "Board") desires to encourage the development of affordable housing, but also wishes to preserve the fiscal integrity of its water and wastewater system, avoid premature, unnecessary rate increases, and avoid unfair cross subsidy of one group of rate payers by another.

5. The Board therefore wishes to allow such deferral and receipt of letters of credit to encourage such development, on the conditions that the development be for affordable housing and that such deferral does not affect the fiscal integrity of the wastewater system.

BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF ORANGE COUNTY:

Section 1. Authorization for Receipt of Letters of Credit. The Board hereby authorizes receipt from the Developer of Woodbury Park of irrevocable Letters of Credit in substantially the form shown in the attached Exhibit "B", in lieu of immediate payment for sewer capital charges for the project on the applicable allocation day for the Eastern Wastewater Service Area prior to the issuance of any building permits. If Orange County does not receive payment for the sewer service capacity at the time indicated in Section 2 below, the Letters of Credit shall be collectable by Orange County in accordance with the terms contained in Exhibit "B".

Section 2. Deferral of Time for Payment of Charges. The Board hereby defers until the time of building permit approval for the structures built in Woodbury Park the payment of the sewer capital charges applicable at that point in time for those individual structures. Prior to the actual grant of building permits for the structures in Woodbury Park the applicable sewer capital charge

required for the structure shall be paid by the Developer.

Section 3. Conditions for Deferral of Payment and Receipt of Letters of Credit.

A. Application and Payment. The developer shall apply for sewer capacity in accordance with applicable allocation rules. Developer shall pay all sewer capital charges for the project in full prior to issuance of the sewer permit unless deferred in accordance with the applicable Wastewater Service Area Allocation Rules and the provision contained herein.

B. Deferral. Developer shall provide the County with an irrevocable letter of credit acceptable to the County in its sole discretion issued by a financial institution having an office in Orange County which guarantees the Developer's payment in full of the sewer capital charges for the project. If at the time of purchase and/or deferral of sewer capacity, a different sewer capital charge is calculated, then the sewer capital charge and/or letter of credit shall be in the amount of the applicable fees per ERU of sewer capacity purchased by Developer pursuant to Orange County rate ordinances and resolutions. The letter of credit shall be duly executed by the Developer and accepted by the County at or before the capacity allocation sale issuance of any sewer permits for the Project.

C. Conditions of Allocation. Orange County will allocate wastewater service capacity to the Developer pursuant to Chapter 37, Orange County Code, accept a letter of credit in lieu of payment at time of allocation and defer such payment until building permit issuance subject to the following conditions:

1. Payment of Applicable Wastewater Fees. All wastewater

fees and charges, including but not limited to revenue and maintenance fees as defined in the applicable Orange County ordinances, shall be paid by Developer in accordance with applicable County regulations and ordinances as expressly provided in this Agreement.

2. Replacement of Letter of Credit. The Developer agrees to replace the letter of credit delivered pursuant to this section and to replace any successor letters of credit thereto with a new letter of credit in the same form as the first, not later than fifteen (15) days prior to its expiration date. Developer's failure to do so shall entitle the County to immediately draw on the expiring letter of credit. Likewise, if the sewer capital charges applicable to a particular housing unit are not paid prior to issuance of a building permit for that housing unit, The County shall be entitled to immediately draw on the existing letter of credit. Any replacement letter of credit delivered to the County by the Developer shall be in the amount previously set forth in this section plus (or minus) the difference between the aggregate of the then applicable unpaid sewer capacity charges, if any, per ERU of wastewater service capacity purchased hereunder and the aggregate of such unpaid charges and fees covered by the previously delivered letter of credit, but reduced by the aggregate of such fees and charges previously paid by the Developer.

3. Connection to Facilities. The Developer shall connect the project to the County's sewer facilities in accordance with all applicable federal, state and local laws, rules, regulations, resolutions, ordinances, permits, approvals and requirements, including but not limited to, the Orange County wastewater System

User Rules, County rate resolutions and ordinances as amended from time to time.

Section 4. Economic Impact Determination. The Board does hereby determine and find, pursuant to Section 30-2, Orange County Code, that sufficient information has been provided for the Board to assess the economic impact of this resolution on the development of real property in Orange County. The Board does hereby determine and find that no further economic impact statement or economic impact information is required in this matter.

Section 5. Severability of Provisions. If any provision of this Resolution or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of this resolution which can be given effect without the invalid provisions or application, and to this end, the provisions of this Resolution are declared severable.

Section 6. Effective Date. This resolution shall take effect upon the date of its adoption.
