RESOLUTION
of the
ORANGE COUNTY BOARD OF COUNTY COMMISSIONERS
pertaining to
IMPACT FEES AND CAPITAL CHARGES

Resolution No. 98-M-50

WHEREAS, in Orange County Code Chapter 23, Impact Fees, and Chapter 37, Water and Wastewater, Article VII, Water Capital Charge, and Article VIII, Wastewater Capital Charge, Orange County has codified its impact fee and capital charge regulations for law enforcement, fire/rescue services, roads, schools, water services and wastewater services;

WHEREAS, each of the several impact fee and capital charge regulations calls for periodic review of the individual impact fees and capital charges;

WHEREAS, during 1998 the law enforcement, fire/rescue services, road, and school impact fee regulations were reviewed;

WHEREAS, the review of four impact fees during one year created a burden on the Board of County Commissioners, County staff, county advisory boards and interested members of the public such that an inordinate amount of time and effort was necessarily focused on the several impact fees thereby diverting time and effort from the other duties of those involved in the process; and,

WHEREAS, the Board of County Commissioners deems it is in the best interests of the County to stagger future impact fee and capital charge reviews so that the level of attention that is due may be brought to the review of such fees by those involved as well as allowing those involved to conduct their other affairs without burden to themselves or the impact fee review process.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF ORANGE COUNTY, FLORIDA:

Section 1. Periodic Review of Impact Fees and Capital Charges. The following schedule shall be utilized for the periodic review of impact fees and capital charges:

- 2003 Orange County Law Enforcement Impact Fee Ordinance and Orange County Fire/Rescue Services Impact Fee Ordinance

Section 2. Staggered Rotation of Review. The staggered rotation of review established in Section 1 above shall be replicated in four (4) year sequences beginning in the year 2004.
