ORANGE COUNTY, FLORIDA**

ORLANDO, FLORIDA -- County Comptroller Martha Haynie announced today that tourist tax collections (resort tax) received by the County for the hotel collection month of September 2016 were \$16,978,400. Tourist taxes are charged on short-term rentals, mostly hotels and motels.

Comptroller Haynie indicated that September 2016 collections were 5% higher than September 2015 and cumulative collections for the entire fiscal year 2016 were up nearly 6%.

“Following yesterday’s BCC decision to complete funding for the DPAC with an additional \$45 million in TDT, I am pleased to announce that we set a new record in TDT collections for FY 2015-16. As our hospitality industry continues to grow and thrive, the County’s TDT will continue being an important funding source for marketing our destination and helping build venues for our entire community to use and enjoy,” stated Haynie.
