This new reduced rate will apply to patients who have been established as indigent by the hospital where definitive care was provided after EMS transport. In order to qualify for this new rate, the patient must provide written documentation of indigent status from the hospital.

Advance Life Support I (ALS I) = \$190
Advance Life Support II (ALS II) = \$250

No mileage reimbursement

*Fees are based on current Medicaid Rate Schedule.

Action Requested: Approval of modified fee schedule for medical indigent patients. This action may be applied retroactively to accounts established before BCC approval, but no refunds will be made for any previous payments that may exceed the medically indigent fee schedule.
