**PROPORTIONATE SHARE AGREEMENT FOR  
BANK OF AMERICA, LAKESIDE VILLAGE SOUTH PD  
Reams Road Improvements: From Center Drive (f/k/a Cast Drive) to Taborfield Avenue**

This Proportionate Share Agreement (the “Agreement”), effective as of the latest date of execution (the “**Effective Date**”), is made and entered into by and between Lakeside II Partners, LLC, a Florida limited liability company (“**Owner**”), whose mailing address is 7586 W Sand Lake Rd, Orlando, FL, 32819, and ORANGE COUNTY, a charter county and political subdivision of the State of Florida (“**County**”), whose mailing address is P.O. Box 1393, Orlando, FL 32802-1393.

WHEREAS, Owner is the owner of fee simple title to certain real property, as more particularly described on Exhibit “A,” attached hereto and incorporated herein by this reference (the “**Property**”); and

WHEREAS, the Property is located in County Commission District 1, within the County’s Urban Service Area, and the proceeds of the PS Payment, as defined herein, will be allocated to Reams Road from Taborfield Avenue to Summerlake Park Boulevard; and

WHEREAS, Owner intends to develop the Property as 3,746 square feet of drive-in bank use (the “**Project**”); and

WHEREAS, Owner received a letter from County dated March 7, 2016, stating that Owner’s Capacity Encumbrance Letter (“**CEL**”) application #15-12-111 for the Project was denied; and

WHEREAS, the Project will generate five (5) deficient PM Peak Hour trips (the “**Excess Trips**”) for the deficient roadway segment on Reams Road from Center Drive (f/k/a Cast Drive) to Taborfield Avenue (the “**Deficient Segment**”), and zero (0) PM Peak Hour trips were available on the Deficient Segment on the date the CEL was denied, as further described in Exhibit “B” hereto; and

WHEREAS, the Excess Trips will cause the Deficient Segment to operate below adopted Level of Service standards and, therefore, pursuant to Section 163.3180(5)(h), Florida Statutes, as amended, the Owner shall provide the County with proportionate share mitigation for the Excess Trips; and

WHEREAS, Owner and County have agreed that the proportionate share payment necessary to mitigate the impact of the Excess Trips on the Deficient Segment through the current anticipated Project buildout is fifty-three thousand fifteen and no/100 Dollars (\$53,015.00) (the “PS Payment”); and

WHEREAS, County and Owner desire to set forth certain terms, conditions, and agreements between them as to the development of the Property into the Project.

NOW, THEREFORE, in consideration of the premises contained herein and other good and valuable consideration exchanged by and between Owner and County, the receipt and sufficiency of which are hereby acknowledged, the parties hereto stipulate and agree as follows:

**Section 1. Recitals.** The above recitals are true and correct and are incorporated herein by this reference.

**Section 2. Issuance of Capacity Encumbrance Letter.**

(a) *Calculation of PS Payment:* The amount of the PS Payment for the Deficient Segment described in Exhibit “B,” attached hereto and incorporated herein by reference, totals fifty-three thousand fifteen and no/100 Dollars (\$53,015.00). This PS Payment was calculated in accordance with the methodology outlined in Section 163.3180, Florida Statutes. Owner and County agree that the Excess Trips constitute the Project’s impact on the aforementioned Deficient Segment based upon (i) Owner’s Traffic Study titled “Bank of America, Lakeside Village South PD Traffic Impact Analysis” prepared by TRAFFIC & MOBILITY CONSULTANTS, LLC on January 12, 2016, for LAKESIDE II PARTNERS, LLC (the “Traffic Study”), and incorporated herein by this reference, and (ii) upon calculations described in Exhibit “B.” The Traffic Study was accepted by the Orange County Transportation Planning Division on March 7, 2016, and is on file and available for inspection with that Division (CMS #15-12-111). Owner and County further acknowledge and agree that the PS Payment as set forth above shall be the final and binding calculation of the amount the Owner is required to pay through the buildout of the Project as proportionate share mitigation for impacts of the Project upon roadways impacted by the Project within Orange County’s jurisdiction, notwithstanding any subsequent variance in the actual cost of improvement to the Deficient Segment or actual traffic impacts created by the Project; provided, however, that if Owner subsequently increases the number of units and/or square footage, as applicable, of the Project, the Project may then be subject to an additional concurrency evaluation and proportionate share agreement as set forth in Section 2(d) below. Owner and County further acknowledge and agree that the calculation of and agreement regarding the amount of the PS Payment constitute material inducements for the parties to enter into this Agreement.

(b) *Timing of PS Payment.* Within thirty (30) days following the Effective Date, Owner shall deliver a check to County in the amount of fifty-three thousand fifteen and no/100 Dollars (\$53,015.00) as the PS Payment. The check shall be made payable to "Orange County Board of County Commissioners" and shall be delivered to the Fiscal and Operational Support Division of the Community, Environmental, and Development Services Department. Within twenty-one (21) days following its receipt of the PS Payment, County shall issue a CEL sufficient to encumber traffic capacity for the Project, irrespective of any actual traffic deficiency on the Deficient Segment. Within the time frame provided in the CEL, the Owner must reserve the encumbered trips by obtaining a Capacity Reservation Certificate as provided in Section 30-591 of the Orange County Code, as may be amended. An amount equal to the PS Payment shall be applied toward the amount of the initial reservation payment (and any subsequent reservation payment(s), if the initial reservation payment does not exceed the amount of the PS Payment) as further set forth in Section 3 below. In the event Owner has not paid the PS Payment within thirty (30) days of the Effective Date, this Agreement shall become null and void.

(c) *Project Development.* Recordation of a subdivision plat or approval of a commercial site plan for the Project shall not be permitted prior to the issuance of a Capacity Reservation Certificate as contemplated in subparagraph 2(b) above.

(d) *Increase in Project Trips.* Any change to the Project which increases the unit count and/or square footage, as applicable, may result in an increase in trips on the Deficient Segment or other segments within the transportation impact area, as defined by County. Owner understands and agrees that any such additional trips are neither vested nor otherwise permitted under this Agreement, and that Owner is precluded from asserting any such vesting. In addition, Owner understands and agrees that any such changes resulting in an increase in trips may cause this Agreement to become null and void, and/or may require application for and execution of an additional Proportionate Share Agreement, along with any other required documentation, for the number of increased trips.

(e) *Satisfaction of Transportation Improvement Requirements.* County hereby acknowledges and agrees that, based upon Owner's commitment to pay the PS Payment as required herein and absent any change in the Project increasing the number of trips as set forth in subparagraph 2(d) above, Owner shall be deemed to have satisfied all requirements for the mitigation of the traffic impacts of the Project on all roads affected by the Project within County's jurisdiction through buildout of the Project. Owner shall be entitled to fully and completely develop the Project, without regard to whether the improvements to the Deficient Segment are actually constructed. Provided, however, Owner shall be required to obtain a Capacity Reservation Certificate prior to the expiration of Owner's Capacity Encumbrance Letter and shall be required to maintain the validity of the Capacity Reservation Certificate in accordance with its terms. Nothing herein shall be construed to exempt Owner from meeting the requirements of all other applicable laws, regulations, or Orange County Code provisions or from making the required payment of transportation impact fees applicable to the Project, subject to credits as set forth in Section 3 below.

**Section 3. Transportation Impact Fee Credits.** County and Owner agree that Owner shall be entitled to receive transportation impact fee credits on a dollar for dollar basis in an amount up to but not exceeding the PS Payment in accordance with Section 163.3180, Florida Statutes, and as more particularly described in Exhibit "B" attached hereto. County further agrees that such credits may be applied on a dollar for dollar basis against capacity reservation fees at such time as capacity reservation fees may be required to be paid by Owner in connection with the issuance of a Capacity Reservation Certificate as contemplated in Section 2 above. In no event shall Owner receive credits in excess of the PS Payment and in the event the PS Payment exceeds either the applicable transportation impact fees or capacity reservation fees, as the case may be, Owner shall not be entitled to a refund for the amount of the PS Payment in excess of such transportation impact fees or capacity reservation fees.

**Section 4. No Refund.** The PS Payment (including any reservation fees paid with the PS Payment) is non-refundable.

**Section 5. Notice.** With the exception of the timing of the PS Payment as set forth in Section 2(b) hereof, the parties acknowledge and agree that no party shall be considered in default for failure to perform under this Agreement until such party has received written notice specifying the nature of such default or failure to perform and said party fails to cure said default or fails to perform within thirty (30) days of receipt of written notice. Any notice delivered with respect to this Agreement shall be in writing and be deemed to be delivered (whether or not actually received) (i) when hand delivered to the person(s) hereinafter designated, or (ii) upon deposit of such notice in the United States Mail, postage prepaid, certified mail, return receipt requested, addressed to the person at the address set forth opposite the party's name below, or to such other address or other person as the party shall have specified by written notice to the other party delivered in accordance herewith:
